<b>Agenda Subject:</b> Acceptance of SOAR of United Way of King County Grant Funds for Rainier Middle School After School Program		<b>Date:</b> September 18, 2007
<b>Department:</b> Parks, Arts and Recreation	<b>Attachments:</b> Resolution No. 4241 and Contract with SOAR	<b>Budget Impact:</b>

**Administrative Recommendation:**

City Council adopt Resolution No. 4241.

**Background Summary:**

The City of Auburn applied for and was awarded a SOAR of United Way of King County grant in the amount of \$7,700 to fund the After School Adventures Program at Rainier Middle School. This grant does not require matching funds. The program in which the City of Auburn partners with Auburn School District, addresses a need in the community to provide both academic and recreational components for "at risk" kids at Rainier Middle School. In the past year, an average of 30 youth participated in this program daily. The District provides staff to tutor the children one hour daily, and the Parks, Arts and Recreation Department provides the one and a half hour recreation component, including recreational activities, arts and crafts, snacks, and an occasional field trip.

Similar programs have proven to be successful in other schools, and this program demonstrates a reduction of academic failure, increased attendance in school, fewer disciplinary actions and an increased capacity of involved youth to network socially at school in the community.

Staff requests that Council accept this grant to fund the Rainier Afterschool Program.
