

AGENDA BILL APPROVAL FORM

Agenda Subject: Address Correction – Parcel # 272105-9150		Date: January 8, 2008
Department: Planning, Building & Community	Attachments: Map of adjoining and subject property depicting the building and proposed address.	Budget Impact: N/A
Administrative Recommendation: City Council to conduct a public hearing to consider a proposal to assign a new address to a single-family residence currently known as 5716 Auburn Way South located upon parcel number 272105-9150.		
Background Summary: Staff has been requested by the Finance Department to mitigate a duplicate address assignment for two unrelated properties. Investigation has determined that the residence located upon parcel number 272105-9150 is using an address not in compliance with the City's address system. This has potential to create delays with emergency response as well as confusion for utilities and other service providers. On November 9, 2007, staff sent a letter to the property owner explaining the need to assign a new address. The letter requested that should the owner have concerns regarding the new address that they contact the Building Division. To date, no such contact has been made. ACC 15.52.055 vests the authority for changing addresses with the City Council. Due to the mix of building ownership as well as the multitude of addresses (both known and unknown) in use, a public hearing is required. L0219-3 O4.9.2
